INTERNATIONAL BIRTHDAY PUJA MAHOTSAV & SEMINAR CHHINDWARA, (Madhya Pradesh) – INDIA

19th to 22nd March 2023

“It is nice that you are celebrating my birthday with such enthusiasm, and so much happiness. So nice to see all this, and I want you all to be my decorations! In the whole world they should see that you are my children and that you are of such great values and such great understanding. You are my children. I have really worked for you, in the sense that every moment of my life, I have thought of you: I wanted to work it out in such a beautiful manner that you become really good people, ideal people, special people, with understanding. So, that is the day you should feel that your birthday is being celebrated. When you have completely cleared out, you have become nirmal, absolutely pure personality of love – that’s the day is your birthday, and mine too.
